Regional Partners in Tourism Symposium 2017

Accessible and Inclusive Tourism

Guest Speaker: John Draper, Together We Rock

Get an update on emerging trends, expectations of tourists and what accessible and inclusive really mean for the tourism sector. Hear why accessible and inclusive tourism is important and learn what businesses need to do to become accessible and inclusive.

John Draper is the founder of Together We Rock! - a socially responsible business committed to inspiring learning and championing leadership to create accessible and inclusive communities. John is a graduate of the journalism program and a contributor and author of numerous published articles and books. John has received numerous international and provincial awards including being honoured as an Alumnus of Distinction by his alma mater.
